# Material Handling

## Choosing Your Carrier

Please carefully consider your carrier prior to booking your shipment(s) to and from the event. Various carriers are set up to operate on a certain schedule or with limited delivery procedures. Please be sure to review your carrier's policies. Some carriers will not deliver to a loading dock, some deliver without verification or signature of delivery. This may result in delays in delivery or additional fees.

**POV (Privately Owned Vehicle):** If you are delivering your materials to show site in your own vehicle, there may be Material Handling charges applied. Please refer to the Union Regulations in this kit and plan accordingly. T3 has jurisdiction over the loading dock based on these regulations.

## Rate Classifications

**Crated:** Material that is skidded or in any type of shipping container that can be unloaded at the dock with no additional handling required.

**Uncrated:** Material that is shipped loose or pad-wrapped, and/or unskidded machinery without proper lifting bars or hooks. The Advance Warehouse is not able to accept loose/unpackaged pieces; shipping crates, fibers, cartons and pallets are acceptable.

**Small Package:** A shipment of any number of pieces with a combined weight of 1-50 lbs that is received on the same day, from the same shipper and delivered by the same carrier at the same time.

## Additional Fees May be Applicable

**Late to Warehouse Fee:** Shipments arriving after Thursday, February 27, 2025 will be charged an additional 30%.

**Off Target Fee:** If your event has a targeted move in, you must schedule your delivery within your target time. If your freight is received Off Target, there will be an additional fee of 30% of your Material Handling costs for that shipment.

**Shipments Returned to Warehouse:** Shipments returned to the warehouse at close of the show will be charged an additional 30% per pound and must be picked up within 72 hours to avoid storage charges.

## Overtime/Double Time

- Overtime is before 8:00 am and after 4:30 pm, Monday-Friday, and all day Saturday. Double Time is all day Sunday and observed Union holidays.
- Based upon the Material Handling rates quoted, a 30% surcharge per pound for each occurrence will apply if:
  - Shipments are received on overtime.
  - Your advance shipment to the warehouse is received during straight time hours, but due to scheduling beyond T3 Expo's control, is moved into show site on overtime.
  - Shipments are loaded out on overtime.

## Outbound Shipping

- A Material Handling form **MUST** be filled out for any shipment leaving the Expo Hall. These forms can be picked up at the T3 Expo Service Desk. All accounts must be settled prior to requesting this form.
- Once you have filled out the Material Handling form and **ALL** of your booth materials are packed, labeled, and ready for shipping, please return the completed form to the T3 Expo Service Desk – **DO NOT LEAVE THIS FORM IN YOUR BOOTH SPACE.**

**Carrier Check-in:** All carriers must be checked in no later than Friday, March 14, 2025 by 10:00 am. If prior arrangements have not been made, the official show carrier will be on-site to coordinate or re-route shipments.

**UPS or Federal Express:** To use these carriers, you **MUST** have their shipping labels for each piece and schedule your pick up. Without these, your freight will **NOT** be picked up by either. If there is a Business Center on the property, it is recommended that you bring your items there.

**PLEASE NOTE:** There may be an additional fee from the facility for this service.

# Cartload Service

**To alleviate issues associated with exhibitors carrying small exhibit materials during move-in, T3 Expo is pleased to provide a Cartload Service. This service will be available during move-in and move-out.**

Cartload Services are designed for use by privately owned vehicles (POVs). A POV is considered to be any vehicle that is primarily designed to transport passengers, not cargo or freight. Examples include cars, pickup trucks, passenger vans, taxis, limos, etc. Bobtails, box trucks or pickup trucks pulling small trailers are not considered POVs and Material Handling rates will apply. **No cartload can have a combined weight of more than 300 lbs.** Material Handling charges will apply to any loads greater than the limits listed above.

**Special Freight Services – Small Passenger Vehicles Only!**  
**Maximum Weight 300 lbs**

- Each cartload will handle (8) pieces or less, weighing less than 300 lbs. total. Each exhibitor will be provided (1) laborer with (1) cart. Each exhibitor will be allowed a maximum of (2) trips from their vehicle to their booth for move-in and (2) return trips from their booth to their vehicle for move-out.
- T3 Expo personnel will direct all vehicles. The cart is not authorized to enter or go to any parking structure. There must be two (2) people with your vehicle; one (1) person to go with your product to the booth space and one (1) person to remove your vehicle from the unloading area to the parking area once Cartload Service is complete.
- The vehicles must be unload/loaded by full-time exhibitor personnel, by hand.
- Material handling charges and processes will apply to any loads greater than the limits listed above and/or any vehicles that are deemed by T3 Expo not to be a POV.

**Hand-carry Information**

- This service is for those who have small hand-carry items, all of which must fit on the cart.
